DETAILED ACTION

Claim Rejections - 35 USC § 112

1. Claim 1 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.
2. Claim 1 recites the limitation "said structural element" on page 5, second paragraph, line 10. There is insufficient antecedent basis for this limitation in the claim.

Claim Rejections - 35 USC § 102

3. Claims 1, 4-6 and 8 stand rejected under 35 U.S.C. 102(b) as being anticipated by Awbrey (1,933,536), as set forth in the previous office action.
4. Claim 3 stands rejected under 35 U.S.C. 102(b) as being anticipated by Carne et al. (6,237,300), as set forth in the previous office action.

Response to Amendment

5. The amendment filed on 1/13/06 under 37 CFR 1.131 has been considered but is ineffective to overcome the Awbrey and Carne et al. references.

The applicant's amendment appears to only affect the elements recited in the functional limitations. Claim 1 is drawn solely to the bracket. The structural limitations drawn to the channel member and the other non-bracket elements have no patentable impact.

Allowable Subject Matter

1. Claims 14-17, 19 and 23-25 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

6. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
